Victor,

I am the WVDEP PM for MPM silicones facility. I have relocated to the WVDEP's Wheeling office in April. Upon seeing the 3rd quarter update, I checked the state record for the 1st and the 2nd quarter CA updates and I cannot readily find them. They might have been submitted to the Charleston office where I had worked before April and never were sent to me up herein the Wheeling office. I ask that you please send them to me **electronically** (PDF is preferred for small documents). WVDEP DLR and DWWM have switched to an electronic only system, and it is important that we receive the documents in electronic form for properly archiving them in our systems.

Please also make a note of my location and correspondence address below.

Thank you much in advance.

Kenan
